EMPOWERING LEADERS THROUGH MINISTERIAL, EVANGELISM, AND DISCIPLESHIP TRAINING

We are having
CELEBRATIONS!!!

Celebrating the Reports of People Lead to the Lord by Africa Mission Evangelism Trained Pastors!

Let us celebrate! In order to motivate pastors to produce the required results in our Soul Winning program, the Lord led us to have *Celebrations* in the respective areas where we conducted seminars on Personal Evangelism. A celebration takes on the form of a banquet. The pastors we have trained previously come with their progress reports, which we all celebrate together. An evangelism refresher course follows each banquet.

The celebrations eliminated to a large degree the administrative challenges we faced to get the reports from the various regions. They also became the *driving force* of the whole soul winning program. We discovered that success motivated success. At one of our celebrations in Rwanda, a pastor gave the following report: During the course of a year he personally witnessed to 30 people applying the soul winning method we introduced. Three of these people accepted the Lord as Saviour. Because the angels rejoice over one soul that is birthed into the Kingdom, we had a good cause to celebrate three precious souls that he won to the Lord.

The very next speaker came forward with his glowing report. He decided to visit neighbouring DR Congo to train members of a local church in personal Evangelism in the city of Goma. He trained 100 personal Evangelists! Together they spoke to 3000 people, and 1000 accepted the Lord for the first time into their lives! And, this resulted in the planting of 14 new churches! WOW!

You can imagine what effect this report had on the first pastor! Obviously it motivated him to come to the next celebration with a better report. These celebrations, therefore, became the *backbone* and *driving force* behind our success story.

See the video that tells the story of our quest to reach 150,000 new church-nurtured Christians in 9 years. This is an updated video that tells our plan, purpose, and quest.

Our goal, spread over 9 years, was to collectively win 150,000 souls for the Lord. Consistently throughout this time, we conducted Soul Winning seminars which were followed by Celebrations and refresher courses. During this time, 2,900 pastors were trained in Central-East Africa, and to date, we have registered over 130,000 first-time decisions for Christ!

(Left) First we hold 4- to 5-day Evangelism Training Clinics; then 6 or more months later, we gather again for the Celebration (Right) that begins with a banquet and followed with a blackboard where those trained report the people they have won to the Lord.

The nine-year cycle ended at the end of December 2016. We have devoted 2017 to conduct refresher courses for the pastors we have already trained and to get the reports in from the field. This is our Celebration year. We are praying about our next assignment starting in January 2018. One thing is for sure, we are going to raise our sights much higher during the course of the next 3-year/6-year/9-year cycle.

We Need Your Help!

We appeal to our supporters to help us with the funding of a celebration. Between 50 to 80 pastors come to the celebration banquet, during which time they are given the opportunity to present their progress reports. The cost of a celebration varies from between R4000 to R5000. Our forthcoming celebrations will be held in June/July in the following centres: Rwanda/Kigali, DRC/Goma-Gisenyi, Burundi/Bujumbura, Uganda/Ibanda, Mbarara and Kampala. Your financial assistance will help make these celebrations possible.

Rejoice with us! Celebrate with us! To quote Reinhardt Bonnke: "Help us to plunder hell and populate HEAVEN!!!"

Thank you for your prayers and support for our mission. endeavours in Africa!
