EMPOWERING LEADERS THROUGH MINISTERIAL, EVANGELISM, AND DISCIPLESHIP TRAINING

Mozambique – After the Storm!

They survived the cyclones and floods and now return to find their homes demolished!

God is using His Church to give them a shelter and help in time of need.

Ron Kinnear

We have identified 487 AFM families who lost everything in the storm that devastated 90% of the city of Beira. Not only did they lose their personal belongings. They lost their homes as well. Africa Missions has purposed to help at least 150 of these families to re-establish themselves.

ROOF SHEETS— We are happy to report that a supply company will make the roof sheets available at cost! And someone is helping with all the paper work to ship the roof sheets to Beira from Durban! Praise God! There is also a steady flow of income for this project with almost 50% of the cost in hand. The cost of this whole project is R500,000/\$34,300. It is a big project, but so worth it to help shelter our neighbors in such great need.

Bags of clothing going to Mozambique for disaster relief

CLOTHING—Churches and believers have responded to the call for clothing. Two and a half of our classrooms on our campus in Haakdoornboom are full and more will be arriving shortly.

I am overwhelmed at the response of believers. They have expressed their love and concern in a very tangible way. On behalf of those who lost so much and were deeply traumatized I want to express our heartfelt appreciation.

You are helping to make a big difference. Thank you.
