EMPOWERING LEADERS THROUGH MINISTERIAL, EVANGELISM, AND DISCIPLESHIP TRAINING

Our Ten-Year Goal is to Raise the 170,000 to

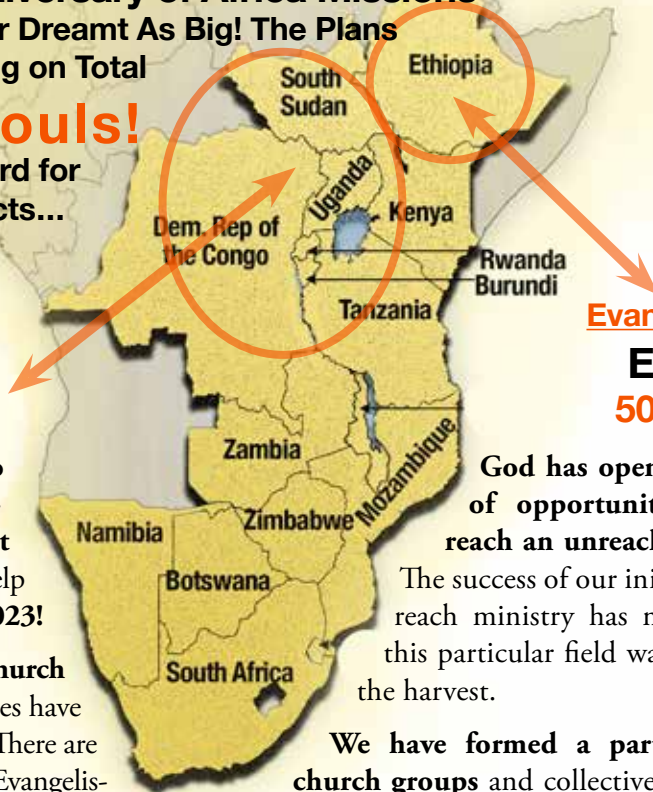

ONE MILLION!

New Church-Nurtured Christians!

We Have Never Dreamt As Big! The Plans
We Are Working on Total**

1,000,000 Souls!
We Are Trusting the Lord for
Two Evangelism Projects...

Evangelism Project 1

**Central-East Africa Goal:
500,000 by 2023!**

We celebrate over 170,000 souls birthed into the Kingdom of Heaven in Central-East Africa through our Evangelism Training in the last ten years. We are now trusting the Lord to help us grow this figure to 500,000 by the year 2023!

We have empowered over 3,600 pastors and church leaders to grow their local churches. Churches have grown and many new churches were planted. There are now many experienced pastors who can form Evangelistic teams to move through their respective countries to empower local churches to grow themselves.

We have never been in such a favourable position and are well-positioned to take the Kingdom of Darkness by storm. To echo the words of Evangelist Reinhardt Bonnke: "To plunder hell and populate Heaven!" Your prayers and giving will make this goal possible.

We are well under way with this project. We realize fully that the success of this project rests on the giving of our partners and the prayers of our intercessory prayer warriors.

Evangelism Project 2

**Ethiopia Goal:
500,000 by 2029!**

God has opened a great window of opportunity in Ethiopia to reach an unreached people's group! The success of our initial one-on-one outreach ministry has made us realize that this particular field was ripe and ready for the harvest.

We have formed a partnership with two church groups and collectively trained over 175 pastors and church leaders in personal Evangelism. Our goal is to win 500,000 people in a designated area within the course of the next 10 years.

One of the church groups we are working with wanted to first test the method we were using. This was after we trained 50 of their pastors in April 2018. They launched two pilot projects to test the effectiveness of our training.

After a year the pastors trained many personal evangelists.

(Project 2: Ethiopia Evangelism continued)

Collectively **the Gospel was presented to over 12,000 people on a one-to-one basis.** This happened in an environment not too friendly for Evangelical believers. **Over two thousand people accepted the Lord as their personal Saviour!** Today this group is squarely in our camp. Africa Missions presented another clinic this month and another 49 of their pastors were trained.

A total of 1,000 churches are now working with us. Our short-term goal is to train 7,000 personal Evangelists by the end of 2020! We also want to have an evangelistic drive into a certain province spearheaded by many of these local

churches. **Our ultimate dream is to see 500,000 birthed into the Kingdom of God by 2029.**

Our greatest needs are finances to keep the momentum going and intercessors that will support these ventures in prayer.

Our deepest and heartfelt “thank you” to our partners who have made the above possible. Your prayers and giving have made this possible. We are optimistic in our dream to reach 1,000,000 souls. Together we are making this happen!

Together, we are doing great things!
