Launching Xtreme Youth Evangelist Program!

I am thrilled to announce XYE—Xtreme Youth Evangelist—an outstanding new evangelism training and outreach program for Africa Missions! Seventy-three people have already been trained—an army of young people, ages 13 and up along with their youth pastors and leaders—being trained to be true evangelists for Jesus! We are thrilled that churches are joining together causing a ripple effect in the community to bring more people of all ages into the Kingdom of God through this outreach.

Training people to win souls is the deep desire of my heart and Africa Missions' goal. For over eight years, we have trained people using *Evangelism Explosian* (EE) resulting in over 120,000 new church-nurtured Christians! EE has developed a cutting edge program for young people—*Xtreme Evangelism Explosian*—and this is the training program we use for XYE!

Our staff member who leads the XYE program, **Drienie Jacobs**, exclaims, “This program is cutting-edge and just the tip of the iceberg of an amazing opportunity! The youth of South Africa are in an uproar, they don't know where to go. The XYE young people are so excited about this new program! Pastor Ron's plan is to let this excitement to spread the Gospel be a powerful tool to change our nation and continent, starting here in Pretoria then spreading beyond into Africa!”

E.E. official trainers Driaan Britz and Daan Theunissen presented the Xtreme Evangelism Explosion youth training to the enthusiastic young people.

The Xtreme Youth Evangelists joined in a prayer circle before spreading out to evangelize in and around a Pretoria shopping centre.

Our first training event was divided into 2 sessions:

Session 1: On Friday and Saturday, 8-9 July, 73 lively young people from eight different congregations dared to gathered in Pretoria, S.A. ready to learn more about sharing the Gospel. **Driaan Britz**, official trainer for **Evangelism Explosion** presented the **Xtreme Evangelism Explosion**, youth training with much enthusiasm, along with EE trainer **Daan Theunissen**. Love and caring flowed as very nice meals and snacks where sponsored by the participating churches involved and enjoyed by all.

Session 2: The presence of God was touchable on Friday, the 15th of July as the group divided into three groups joining with different churches to go out two-by-two to spread the Gospel in and around shopping malls. The newly trained, and now-more-confident-to-share-the-Gospel young people returned bubbling over as they shared their experiences. Cultural and language barriers were crossed by the help of the Holy Spirit and became a joyful learning experience!

The report was amazing: The trainees showed God’s love and kindness as they helped carry food and parcels, but most of all the Good News was shared and received. **Students who were shy suddenly become disciple-makers with a voice!**

Please be praying for another **XYE Outreach** on the 8th of October and a youth Celebration the 5th of November 2016!

We are thankful for the eight Churches and their leaders who joined together for this great training and outreach!
